

No, But Why Tarot?

Blame Bogost again!

- ◆ We need structured constraints, which:
- ◆ Create abundant possible spaces for play
- ◆ Go from “everything everywhere all at once” to
- ◆ “This thing, right here, right now”

Isn't Tarot Occult?

- ◆ Occult means covered or hidden
- ◆ We're using tarot to uncover or reveal the hidden
- ◆ Ritual boundaries provoke revelation
- ◆ Is that a magic circle? (Hello, Huizinga)
