What We're Making

- Start with a location containing a settlement next to a road

- Rule of three

  - Something visible

  - Something hidden

  - Something secret

Iterating

- We can make another location, or a person, or a situation

- Person rule of three:

  - Has/knows, want/problem, willing to do what to get/solve?

- Situation rule of three:

  - Who's involved, nature of situation, how to resolve
