Comparable Works...

- Open Source Shakespeare

- Electronic Dictionary of Armenian Bibliography

- Chinese Text Project

- Victorian Literary Studies Archive - Hyper-Concordance

- PHI Latin Texts (a gold standard?)

...and Their Shortcomings

- Most often single-text rather than intertextual

  - Exception: PHI Latin Texts

- Often limited to the works of a single author rather than an entire genre

  - Exception: Victorian Literary Studies Archive - Hyper-Concordance

- Open-ended search rather than curated themes

  - Difficult to orient!
